Help for a pencil

by [MiaQc](#)

Summary

Usagi gets help to retrieve her pencil, which she has dropped on the floor.

- A translation of [Une aide pour un crayon](#) by [MiaQc](#)

I'm Usagi. I am writing a cute message for Mamo-chan when I drop my pencil on the floor.

"Luna, can you...?"

"No, pick it up yourself."

I sigh. Suddenly, I hear a familiar sound. Pikmin. I look down and see a group of Yellow Pikmin carrying my pencil.

"Oh, hello." I said to them.

"You don't have to do this for her!" Luna retorts.

But the Pikmin ignore her. They manage to climb onto my table and place the pencil next to my sheet of paper. I thank them. The Yellow Pikmin jump with joy and leave. I don't know why these creatures came to our planet but I don't care. They're so cute and they help me all the time! I continue writing my message for Mamo-chan. Luna looks furious. She hates it when the Pikmin help me. I can't understand why.
